private equity info

www.PrivateEquityInfo.com is a continually updated, comprehensive database of corporate finance deal firms and related professionals. Perform targeted searches on private equity firms, hedge funds, mezzanine firms, small business investment companies, valuation firms, investment banks and institutional real estate investors.

The best part.....it's FREE to our members

Up to 60% off for AM&AA members

- OneSource integrates critical business information from world-class content providers to deliver a unique package of "facts, figures, and news" on your prospects, customers and competitors.
- This highly relevant information includes company profiles, financial data, corporate family structures, executive biographies, trade and business news, industry and analyst reports and much more. We offer web-based subscriptions and powerful embedded solutions for CRMs, portals and other applications.

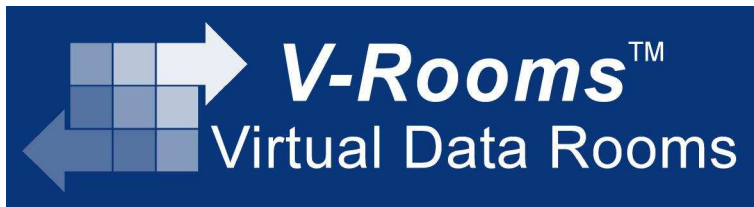

IBISWorld

WHERE KNOWLEDGE IS POWER

IBISWorld's 700+ U.S. industry research reports equip you with the data and analysis to identify buy and sell targets, complete first-stage LOI research and benchmark companies against their industry and competitors. IBISWorld provides subscribers with actionable insights that guide strategic decisions and help businesses find and win new business.

As an AM&AA member you can request a free report at www.ibisworld.com/freereportoffer

V-Rooms™, a division of Due Diligence Online, LLC, is an Internet-based, on-demand hosted service designed to speed the completion of financial transactions which may involve hundreds of participants and require the distribution of thousands of pages of documents.
