Fred Schober
Phillips Pet Food & Supplies

Fred Schober is the former COO of Phillips Pet Food & Supplies. A nationwide distribution company that services all aspects of the pet industry from local independent pet stores to large format nationally recognized retailers. After selling his regional distribution business, Super Dog Pet Food Co. in 2010 he merged his business with the then east coast distribution company Phillips Pet Food and Supplies. Both owners, their management teams and the new Private Equity Sponsor expanded the business to become the number one pet distribution company in America

Fred Schober graduated from Central Pennsylvania Business School in 1986 with an Associate's Degree in Business/Marketing Management. Over the years he has been involved with various organizations; he is the Past President of the Pet Industry Distributor Association, past President of the Lions Club, past Commander of the Lancaster Power Squadron and has sat on various boards and advisory boards such as Greystone Bank, Susquehanna Bank and BB&T.

In 2014 Fred retired to spend time with family and friends and to annoy his wife. Helping him stay busy, he does some investments and dabbles in property management. Fred also spends time traveling and boating on the Chesapeake Bay.
