SPEAKER

Bob Whalen

President, HB McClure Company

Bob Whalen, President of HB McClure Company helped his Company celebrate its 100-year anniversary in 2014, a landmark achievement. HB McClure provides heating/cooling installation and service, plumbing service, duct cleaning, propane delivery and more to homeowners and businesses throughout Central PA.

HB McClure has experienced phenomenal growth in the past 20+ years, due in part to strategic acquisitions, service and product expansions and the transition from a family-owned to an employee-owned company in 2010.

HB McClure has acquired 12 companies over the past 7 years. AM&AA invites you to join us to hear Mr. Whalen's "lessons learned" with these acquisitions, and the value of being an ESOP company in Central PA.
